INTRODUCTION

The statutory mission of the Maine Bureau of Financial Institutions (Bureau), as set forth in 9-B M.R.S. § 111, is to ensure the strength, stability and efficiency of the financial institutions it regulates, encourage the development and expansion of financial services, ensure reasonable and orderly competition, protect consumers against unfair practices, provide consumer education, and encourage the development of economically sound credit practices.

In 2018, the Bureau provided regulatory supervision to 43 state-chartered financial institutions, including 19 banks, 12 credit unions, and 12 limited purpose financial institutions. As of June 30, 2018, assets held by Maine state-chartered institutions supervised by the Bureau totaled approximately \$23.78 billion. Maine state-chartered banks, (including limited purpose banks) recorded \$21.62 billion in assets, representing a year-over-year increase of \$1.19 billion, or 5.8%. Maine state-chartered credit unions recorded \$2.16 billion in assets, representing a year-over-year increase of \$105.67 million, or 5.1%.

The Bureau's two distinct divisions are responsible for the administration of the Maine Consumer Credit Code (Title 9-A) and the Maine Banking Code (Title 9-B). The Research, Administration, and Legal Affairs Division issues regulatory guidance, promulgates rules, responds to consumer complaints, reviews and processes applications to charter new financial institutions or merge existing institutions, and interacts with the Maine Legislature during legislative sessions. The Supervision and Examination Division conducts periodic on-site examinations of each state-chartered financial institution to evaluate financial strength, risk management processes, and compliance with state and federal laws and regulations. Bureau examiners conduct on-site safety and soundness, compliance, trust, information technology, and holding company examinations.

During the twelve-month period from November 1, 2017 to October 31, 2018, the Bureau received and processed 15 applications and notifications. Among these applications and notifications, 13 were related to branching activity, one was for a merger of financial institutions, and one was to engage in a closely-related activity.

The Bureau dedicates resources to consumer outreach and complaint mediation. During the fiscal year ending 2018, the Bureau's Consumer Outreach Specialist responded to 379 consumer complaints and inquiries, of which 197 required Bureau intervention. Complaints involved deposit account activities, fee disputes, consumer loans and credit cards. In addition to responding to consumer complaints, the Bureau actively monitors the latest scam and data breach activity, informing consumers and financial institutions of the illicit activity when appropriate through targeted email distribution lists and press releases.

In addition to its regular functions, the Bureau strives to remain informed about the latest trends impacting banking and financial services, and maintains memberships with trade associations, including the Conference of State Bank Supervisors (CSBS) and the National Association of State Credit Union Supervisors (NASCUS). Membership in these organizations provides access to a variety of training opportunities and seminars for Bureau staff.

The following report contains summary financial data for financial institutions doing business in Maine. It includes information on assets, deposits/shares, and loans as well as office and branch location information. While this Annual Report should be helpful as a point-in-time resource for data on financial institutions, the Bureau's website (<http://www.maine.gov/pfr/financialinstitutions/>) continues to provide access to both current and archived information.

SECTION I
APPLICATIONS

Application Activity

Financial institutions are required to submit an application or provide notice to the Bureau prior to chartering new institutions and before existing institutions may branch, merge, acquire other organizations, or engage in certain business activities. Over the twelve-month period from November 1, 2017 to October 31, 2018, application activity for Maine’s state-chartered financial institutions primarily involved branching activity, accounting for 13 of the 15 applications and notifications processed. Maine’s state-charted financial institutions established six new branches: one in Bangor, one in Pittsfield, one in Portland, and three in the state of New Hampshire in the towns of Bedford, Manchester, and Portsmouth. Maine’s state-chartered financial institutions closed branches in Bangor, Baileyville, Lincoln, and Pittsfield. There were three notifications of branch relocations, which occurred in the towns of Biddeford and Portland.

Other activity included the merger and acquisition of the holding company First Colebrook Bancorp, Inc., Colebrook, NH with and into Bangor Bancorp, MHC, Bangor, Maine, which included the merger of their respective bank subsidiaries, Granite Bank with and into Bangor Savings Bank. The mergers consummated on April 6, 2018.

SECTION II
CONSUMER OUTREACH PROGRAM

Consumer Outreach Program

Since 1987, the Bureau has had a Consumer Outreach Program with a designated Outreach Specialist on staff. The Outreach Specialist is available to answer questions related to the business of financial institutions, mediate complaints against financial institutions, participate in training programs, and make referrals to other regulatory agencies when necessary.

The Consumer Outreach Specialist maintains the Bureau’s online consumer resources hosted on the Bureau’s website. There, consumers find links to a variety of financial topics, answers to frequently asked questions, and lists of the financial institutions doing business in the State. Consumers may also file complaints through the website, which are either handled by the Consumer Outreach Specialist or referred to the appropriate federal supervisory authority. If a consumer issue pertains to a nationally-chartered bank or a federally-chartered credit union, a referral is made to the Consumer Financial Protection Bureau (CFPB) or the National Credit Union Administration (NCUA).

During the fiscal year ending June 30, 2018, the Bureau responded to 379 consumer complaints and inquiries. Of these, 197 required Bureau intervention. The Bureau is most successful when intervening in disputes involving its state-chartered financial institutions, though consumers of nationally-chartered financial institutions are nonetheless encouraged to contact the Consumer Outreach Specialist who can provide valuable information and discuss possible outcomes.

*Included in "Other" are the following: credit report problems, fees associated with deposit account, forgery, funds availability, prepaid debit cards, identity theft and telemarketing.

Online Banking Scams

The Bureau is aware that consumers are subject to numerous financial and identity theft scams. Where possible, the Bureau attempts to alert consumers (and financial institutions) of new or escalating scams. For example, in April of 2018, the Bureau issued a press release warning consumers about cybercriminals posing as the consumers' financial institution and demanding personal information in order to avoid alleged service disruptions. In its press release, the Bureau provided several tips to help consumers avoid the scam, including contacting their financial institutions directly upon receipt of the suspicious email, and instructing consumers not to click on any links contained in the email. Furthermore, Superintendent LaFountain reminded consumers that "Banks and credit unions will not email, text, or call customers asking them to divulge account numbers, pins, or social security numbers," and that consumers should always monitor their account statements.
